LT-PL/091 „ATTRACTION OF ACTIVITIES  
IN CROSS BORDER LAKES”**

On February 6<sup>th</sup>, 2012 employee of the Regional Contact Point (RCP) in warmińsko-mazurskie region participated in the conference summing up the project LT-PL/091 „Attraction of activities in cross border lakes”, which is being implemented by Pisz District (warmińsko-mazurskie region, Lead Partner) and Alytus district municipality administration (Alytus County). The project was approved after the third open call for proposals and received 2 291 773,27 euro from ERDF.

Except from project partners many people from different institutions took part in the event, e.g. Deputy to Polish Parliament, representatives of First Level Controller, RCP, Pisz Commune, contract provider of investment activities and other invited guests. In the first part of the conference there were presented the main project's goals and activities, as well as indicators achieved. The proper presentations were given by Ms Beata Sokołowska from Pisz District and Ms Sonata Dumbiauskiene from Alytus district.

The second part of the meeting included formal opening of the Interschool Sport Centre in Pisz, which was deeply reconstructed in the framework of the project. The people who were giving the speeches have underlined the benefits from UE funds and a very successful and unusual cooperation between partners, which became even more friendship than partnership.

The last part of the meeting was visitation of the newly opened building.
